God is good, all the time. The building project continues, with just the right people at just the right time with just the right skills to do the next thing. We have been blessed by groups and individuals. There have been a few stalwart locals who have pitched in when there were no teams from other places, meaning construction has continued without stop every day since June 13. Even at the slower pace now that the large groups are no longer coming we hope to have the building ready to occupy by the end of the year, if not sooner.

With teams coming and going and attempting to spend as much time as possible with those teams both in construction and “after hours” while still running a radio station, our staff is feeling the effects of the sometimes frenetic pace of the past several months. We are trusting God for times of refreshment and rejuvenation as life in general slows down with the coming of winter.

Great Bathtub Race

Teams gather at the end of the race for a group photo

The 49th Great Bathtub Race saw the return of a team who had won several years running a few years ago. At one time, the Crowley tub was captained (the captain rides in the tub of water) by a boy who unfortunately lost his battle with cancer a few years ago. This year's race fell on his birthday and in his memory, his father put together a team. They literally ran away with the race, making the Crowley tub the winner yet again.

Joining them, in the first ever Youth Division, two teams made up of members of the Elementary School Running Club raced down Front Street. Captaining one of the tubs was our own Quincy Foret. Despite a little collision with each other and a parked car necessitating help from a couple moms to untangle things, the youth teams finished strong.

Next year is the 50th running of this quirky race that is a Labor Day tradition. As the sponsor of the race, we at KICY are hopeful more people will put wheels on tubs and fill Front Street with competitors come September.

100% Sunday Set for October 26th

This annual event allows everyone in a Covenant Church (or any other, for that matter) on October 26th to stop, pray, and make a \$1.00 donation to the ministry of KICY. We call it 100% Sunday as we have set a goal of 100% participation by every Covenant Church in the U.S. and Canada.

There are many ways to participate as an individual or a church. In addition to an opportunity to give during a service, consider posting our 100% Sunday video (found at kicy.org) to your church's website

or FaceBook page and encourage individuals to pray about giving directly to KICY. Other short videos and resources can be found by

selecting 100% Sunday from the menu bar. You are welcome to use anything found on our website as you see fit. Please contact us for additional materials or suggestions.

If Sunday, October 26th isn't convenient, choose any date that is.

Our secure online giving portal is available to both churches and individuals. Just go to kicy.org and use the big blue button on the home page.

God bless you as you support the ministry of KICY.
